

March SPSA Meeting Agenda

I. President-Caroline

a. Practicum/Internship panel feedback

- tell the people beforehand that they have a limited amount of time to speak; have a buzzer/timer
- two-minute warning, 1-minute warning
- the room is good! Difficult to book
- districts from all over were invited, but didn't make it
- ask districts how much time they need and then accommodate the length of the meeting
- slightly limited on practicum sites (but that is to be expected!)
- districts present an information sheet ahead of time as opposed to a mini-presentation, like a job fair
- list of things 1st year students need to think of when they talk to a district representative questions they should ask, etc.
- keep in mind to not recruit districts that don't have an affiliation with CSULB
- Caroline will e-mail the list of districts with approval (not completely up-to-date)
 - Green Dot should be on the list!
- a list of e-mail addresses, application deadlines, requirements (e.g., resume, letter of rec) would be good to have beforehand
 - delegate this responsibility to a board member
- requires a lot of communication!! And a lot of people did not respond.
- How far ahead to contact districts??
 - Request the room
 - Sent e-mails at the end of January and beginning of February

b. COESA Spring Mixer

- People e-mailed Caroline to volunteer
- If you are free, e-mail Caroline!!!
- Next Wednesday, 10am-2pm
- free lunch for volunteers!
- 1st years get 'credit' for the grant

c. Elections

- This time next month, we'd like to know who wants to take over the SPSA Board
- 1st years should talk to each other and see who wants to do what
- feel free to e-mail current board members to see what a specific job is like
- recommendation: write a blurb about our job OR read the constitution

- one more board meeting next month and then we can have dinner and pass the torch to the new board
